

Job Market Brownbag: Wed May 3rd, 12:00pm, 107A EB

Join Maggie Shelledy, Jenn Raskauskas, Katrina Kennet, Kaia Simon, and Katherine Flowers as they share their experiences being on the academic and non-academic job market. Each will share some aspect of their experience and advice for the job market. This is a great event to learn more and ask questions about being on the job market from those who have just been through it. Whether you're years away or are going on the market next year, we highly recommend you come to this brownbag to learn more about this important step.
